SATIS Code of Ethics

SATIS exists to provide member schools with sporting events at a high standard which are conducted in a spirit in tune with the ideals of AHISA (Tas) and which promote harmonious relations between Independent schools.

Member schools follow agreed guidelines to ensure that the aims of SATIS are achieved:

1. All conventions of courtesy associated with a sport are emphasised in the coaching and management of a team.
2. Schools show courtesy to visiting players and spectators. Visiting teams will be punctual and are welcomed by the host school.
3. Visitors respect the host school's premises and rules in relevant matters such as parking, tidiness and access to buildings, playing areas and change rooms.
4. Competitors wear the recognised uniform and use the accepted equipment for each sport. Correct school colours are worn.
5. Coaches and/or managers of teams introduce themselves to opposition coaches or managers prior to the commencement of any fixture.
6. All behaviour, including language, on and off the field, by players and supporters is of the highest standard. School and match officials are expected to take action should this not be the case.
7. Decisions by the umpire are accepted without dissent or comment by players, coaches and spectators.
8. Only those designated by schools as coaches or officials are permitted to coach during the game. They must do so within the regulations of the particular sport.
9. The use of noise or comment which intimidates is unacceptable.
10. Inclusivity: We provide a sporting environment that is free from discrimination based on language, sexual orientation, culture, ethnicity, religion, health or disability, family circumstances and origin.

8. Athletes must compete in their school's prescribed sports uniform. (See uniform registry). Accepted school caps may be worn while competing but must be worn in the accepted manner i.e. Peak to the front. Failure to comply will result in either not being allowed to compete or disqualification. Notice of disqualification will be given to the relevant SSATIS delegate.

If a school is unable to outfit teams/individuals in accepted school uniform for Cross Country the Chair of SSATIS is to be notified prior to the event. The cross country sub-committee will then be notified.

9. The point scores will be accepted as the correct scores at the conclusion of the carnival. Appeals may be lodged with the organising committee within 48 hours.

10. The costs incurred by a school organising this carnival will be met by SSATIS. Program production costs are for paper and "in-house" photocopying.

11. Lodgements of protests:

a) Pre-Race

The cross country sub-committee appoints a neutral referee who will make decisions on any protest.

Prior to Cross Country SSATIS Delegates and/or Cross Country Coordinator will brief athletes on the acceptable sporting behaviour when racing.

Marshals will be briefed prior to the commencement of the event. It will be clearly stated that any competitor who jostles or obstructs another athlete, so as to impede his/her progress, shall be liable for disqualification.

Each school will need to supply 2 adult marshals (not students).

At the start line all competitors will be briefed again by the start marshal about sporting behaviour when out on the course.

b) Race

If a marshal sees any action which causes concern this will need to be briefly documented and given to the referee for consideration.

An athlete may also lodge a protest through their SSATIS delegate or teacher-in-charge. This too needs to be documented briefly.
